3 How to get to gate Garchinger Technologie- und Gründerzentrum

3.1 By public transportation

Arrival

The **gate Garching** is located directly on the campus of the Technische Universität München (Garching campus) and can be reached by subway (U-Bahn).
Take subway **U6** and exit at the last stop "**Garching-Forschungszentrum**".
➔ Timetable: https://www.mvv-muenchen.de/en/

The gate Garching is located within 8 minutes walking distance. If you have luggage, you can take any of the **buses** at the subway stop and exit at the first stop "Garching (b München), Technische Universität" (1 minute ride) which is directly located in front of the gate Garching which is the gray building (not the black one).

Departure
Option a)
At the end of the workshop, you can take the bus 690 to "Eching (S) Ost" which directly leaves in front of the gate Garching. Exit the bus in "**Neufahrn**" at the S-Bahn station (12 minutes ride), then take the S-Bahn to the airport ("Flughafen München") (8 minutes ride).

The transport from the gate Garching to the airport via Neufahrn will take 29 minutes and the bus leaves every 40 minutes.

Option b)

Take the bus 230 to "Ismaning", and exit at the S-Bahn station is "**Ismaning**", then take the S-Bahn to the airport ("Flughafen München") (13 minutes ride).

The transport from the gate Garching to the airport via Ismaning will take 43 minutes and the bus leaves every 40 minutes. So roughly speaking you can take a bus every 20 minutes. The interval of the S-Bahn trains to the airport is 20 minutes.

Option c)

There are Uber taxis available in Munich. So you can also share a ride to the airport.

Public transport

- Single ride tickets (short trips, Zone 2, Zone 1-2, Zone M-2, Zone 2-5, Zone M-5, …)
- Day tickets (Zone 2, Zone 1-2, Zone M-2, Zone 2-5, Zone M-5, …)
- Group tickets for up to 5 people

Zones

- Munich Center: Zone M
- Garching: Zone 1 and Zone 2
- **Garching-Forschungszentrum: Zone 2** (where meeting takes place)
- Flughafen München (Airport): Zone 5

More information about tickets and the ticket system will be added soon. The simplest option seems to be installing the MVV App and use "MVVswipe".

3.2 By car

There is a parking lot in front of the building. If the bar is closed, please ring at the reception (Gate Garching). Google Maps: Lichtenbergstr. 8, 85748 Garching b. München. LINK.

3.3 By plane

The closest airport is Munich Airport (MUC). Taxi to Garching-Forschungszentrum (~20 minutes). The airport is connected via 2 S-Bahn lines (S1) and (S8) that both go to Marienplatz (center of Munich). From there, you can switch to subway U6 Garching-Forschungszentrum.

Please note that it is faster if you exit already in "Ismaning" or "Neufahrn" and then take the bus to "Garching-Forschungszentrum" rather than going first to Marienplatz.

3.4 By Train

The closest train station is Munich Hauptbahnhof (Main station). From there, take any S-Bahn to direction "Ostbahnhof" but exit already at "Marienplatz", and then subway U6 to Garching-Forschungszentrum.
