Other free Wi-Fi networks available are eduroam and Bayern-WLAN. The room is equipped with desks.

2 How to get to gate Garching Technologie- und Gründerzentrum

2.1 By public transportation

Arrival

The **gate Garching** is located directly on the campus of the Technische Universität München (Garching campus) and can be reached by subway (U-Bahn).

Take subway **U6** and exit at the last stop "**Garching-Forschungszentrum**".

→ Timetable: <https://www.mvv-muenchen.de/en/>

The gate Garching is located within 8 minutes walking distance from both the subway station U6 "Garching-Forschungszentrum" and the hotel "Courtyard by Marriot München Garching". If you have luggage, you can take any of the **buses** at the subway stop and exit at the first stop "Garching (b München), Technische Universität" (1 minute ride) which is directly located in front of the gate Garching which is the gray building (not the black one).

Departure

Option a)

At the end of the workshop, you can take the bus 690 to "Eching (S) Ost" which directly leaves in front of the gate Garching. Exit the bus in "**Neufahrn**" at the S-Bahn station (12 minutes ride), then take the S-Bahn to the airport ("Flughafen München") (8 minutes ride).

The transport from the gate Garching to the airport via Neufahrn will take 29 minutes and the bus leaves every 40 minutes. You can also use Google Maps to check travel options by public transport.

Option b)

Take the bus 230 to "Ismaning", and exit at the S-Bahn station is "**Ismaning**", then take the S-Bahn to the airport ("Flughafen München") (13 minutes ride).

The transport from the gate Garching to the airport via Ismaning will take 43 minutes and the bus leaves every 40 minutes. So roughly speaking you can take a bus every 20 minutes. The interval of the S-Bahn trains to the airport is 20 minutes.

Option c)

There are Uber taxis available in Munich. So you can also share a ride to the airport.

Public transport

- Single ride tickets (short trips, Zone 2, Zone 1-2, Zone M-2, Zone 2-5, Zone M-5, ...)
- Day tickets (Zone 2, Zone 1-2, Zone M-2, Zone 2-5, Zone M-5, ...)
- Group tickets for up to 5 people

Zones

- Munich Center (place of informal dinner): Zone M
- Garching (place of dinner): Zone 1 & Zone 2
- **Garching-Forschungszentrum: Zone 2** (where meeting takes place)
- Flughafen München (Airport): Zone 5

The simplest option for tickets seems to be installing the MVV App and use "MVVswipe" which then charges you the optimum price at the end of the day.

2.2 By car

If you arrive by car, please use this code **2002#** to enter the car park. Parking is free. For address, see 1.2. You can also park there overnight. Electric charging is available.

2.3 By plane

Munich has one airport (MUC) in the north of the city. There are two terminals (Terminal 1: A, B, C, D, E; Terminal 2). The S-Bahn station is in between these terminals. Two S-Bahn trains (S1 and S8) are going to the centre (Marienplatz). Each train leaves every 20 minutes. From there, you can switch to subway U6 Garching-Forschungszentrum. Please note that it is faster if you exist already in “Ismaning” (S8) or “Neufahrn” (S1) and then take the bus to “Garching-Forschungszentrum” rather than going first to Marienplatz. For details, see 2.1 Public transportation.

Taxi to venue location (Garching-Forschungszentrum) is about 20 minutes.

2.4 By Train

From Munich Hauptbahnhof (Main Train Station), take any S-Bahn to direction “Ostbahnhof” but exit already at “Marienplatz”, then change to subway U6 “Garching-Forschungszentrum”, see also 2.1. Public transportation.
